

Eliminate Bed Bugs *in 72 Hours*

“Don’t Let the Bed Bugs Bite”

How does it work?

Hotels are using a green solution to solve an international problem. They run the Zontec™ machine for 48 hours straight, shock treating the room. After the initial shock treatment, they air out the room for 24 hours and they are good to go....

\$\$\$ Save money

- No expensive chemical treatments required
- Rooms are available after 72 hours. – Save a fortune in lost income

Don’t throw away...
